Bangla Calendar 2024 PDF is also known as the Bangla Calendar or Bong Calendar. Bengali Calendar is based on Solar Calendar. The current Bengali Year is Bengali calendar 1428 BS or Bengali Sambat. In Bangla Calendar the new year starts in the middle of April around 15th of the April.

There are two types of Bengali calendars. One is used as an Offical Calendar in Bangladesh and another is used in the Indian states of West Bengal, Tripura, and Assam. In the Bangla calendar, you can know information about important festivals related to all religions and also all types of holidays and local festivals.
